OWNER'S CERTIFICATE OF DEDICATION

Know all men by the present that Jerome and Suzanne E. Hohbein being the owner and proprietor of the property shown hereon has caused that portion described hereon to be surveyed and platted as "Hohbein Subdivision", Burleigh County, North Dakota, and do so dedicate streets as shown hereon including all sewer, culverts, water, and other public utility lines whether shown hereon or not to the public use forever.

They also dedicate easements to Burleigh County to run with the land, for gas, electric, telephone, or other public utilities or services on or under those certain strips of land designated hereon as utility easements.

They furthermore dedicate unto Burleigh County "Stormwater and Drainage Easement" to run with the land for the purpose of storm sewer and surface water drainage under, over, through and/or across those areas dedicated hereon as "Stormwater and Drainage Easement" for the purpose of construction, reconstruction, repair, enlarging and maintaining stormwater management facilities together with necessary appurtenances thereto for stormwater, storm sewer, and surface water drainage and management of said storm water flow in a manner that will permit the free and unobstructed flow of water under, over, and/or across the easement area.

STORMWATER NOTE:

Restricted use on Stormwater and Drainage Easement:
Stormwater and Drainage Easements are constructed to collect, store, convey, and/or treat stormwater runoff. They are constructed to prevent or limit flood damage and environmental impacts to properties both within and outside of the plat.
Property owners shall not place any type of fill material or make any alterations to the permanent vegetated cover on the Stormwater and Drainage Easement (no open tilled soil areas will be allowed). They shall not plant any trees or shrubs within the easement with the intent to screen or provide a snow shelter belt. Individual trees and shrubs may be planted within the easement with prior approval of the County Engineer. Property owners shall not construct any type of structure (including garages, outbuildings, sheds, driveways, parking pads, landscaping, gardens, and septic fields) or other features that interfere with the intended use of the Stormwater and Drainage Easement.

SURVEYOR'S NOTES:

1. The basis of bearing is based on North Dakota State Plane Coordinate System, South Zone – NAD83. The distances reported hereon are in reference to the International foot definition and are at ground per the NDDOT combination factor for Burleigh County (1/cf=1.0001485221). The vertical datum is based on NAVD88. The measurements shown hereon have been determined by RTK methods using the "Trimble NOW VRS" network.
2. The date of the field survey occured on September 1, 2021.
3. This survey does not represent a complete title search.
4. The proposed zoning for this subdivision is residential.
